Dear Senator Delph:

On behalf of the Indiana Chamber's non-partisan political action committee, Indiana Business for Responsive Government (IBRG), I would like to offer an IBRG endorsement of your reelection campaign.

IBRG's mission is to aid in the election of candidates to the General Assembly whose support for business-related legislation will improve the business climate in Indiana. Your support for job creation and economic development policies is important to our state's future and appreciated by our organization and members

Please feel free to use this endorsement in any way you choose during your campaign. If you have any questions, do not hesitate to call me. Again, thank you for your support of pro-jobs issues and the Indiana Chamber and we look forward to continue to work with you on these and many other efforts.

Sincerely,

Jeff Brantley
Vice President, Political Affairs
