Honorable Mike Delph  
Indiana State Senator  
861 Winter Ct.  
Carmel, IN 46032-5213

Dear Senator Delph:

It is my great pleasure to inform you that the Indiana Manufacturers Political Action Committee (IMPAC), on behalf of the Indiana Manufacturers Association (IMA), has endorsed your candidacy for election to the Indiana Senate. The IMA represents more than a thousand member companies, who employ thousands of Hoosiers. We are proud to support your candidacy, and we want you to win.

As you may know, the IMA is the voice of manufacturing in Indiana, which is the most manufacturing-intensive state in America. IMA has been in existence since 1901, so it's no surprise that IMPAC and IMA zealously protect the interests of manufacturing.

IMPAC and IMA never endorse more than one candidate in an election contest. That means we want you to win the General Election in November. We take this position based upon our research and experience with your manufacturing views and positions. We have long understood that Indiana's economic future is heavily influenced by the laws and regulations under which manufacturers must endeavor to create jobs and operate successful businesses. Having examined the candidates, we find manufacturing interests would be best served by your winning election to the Indiana Senate from Senate District 29.

We urge all manufacturers, business persons, employers and the voters of Senate District 29 to vote for Mike Delph. The economic future of Indiana depends on it.

Best wishes in your election effort. We stand ready to assist you in a successful campaign.

Most Sincerely,
